

A black and white close-up portrait of Steve Jobs, showing his face from the nose down, wearing his signature round glasses and a dark turtleneck. The background is a plain, light color.

Bloomberg Businessweek

Steve Jobs
1955-2011

« I think the biggest innovations of the 21st century will be at the intersection of biology and technology. »

Intersection of biology *and* technology:

1. technology *for* biology
2. biology *as* technology
3. technology *as* biology
